OF THE QUALIFICATIONS AND GENERAL DUTIES OF CLERKS OF THE SUPERIOR COURTS.

SEC. 1. At the first meeting of the County Commissioners of each county after the election or appointment of any Clerk of a Superior Court, it shall be the duty of the Clerk to deliver to such Commissioners a bond, with sufficient sureties, to be approved by them, as is now required by the law, payable to the State of North Carolina, and with a condition to be void if he shall account for any [and] pay over according to law all monies and effects which have or may come into his hands by virtue or color of his office, and shall diligently preserve and take care of all books, records, papers and property which have come or may come into his possession, by virtue or color of his office, and shall in all things faithfully perform the duties of his office, as they are or hereafter may be prescribed by law.

BOND—HOW APPROVED, &c.

SEC. 2. The approval of said bonds by the Commissioners, or a majority of them, shall be recorded by their clerk; any Commissioner dissenting may cause his dissent to be entered on record. Any Commissioner, approving a bond which he knows or believes to be insufficient, shall personally be liable as if he was a surety thereto. The said bond acknowledged by the parties thereto, or proved by a subscribing witness, before the Clerk of said Commissioners, as their presiding officer, registered in the office of the register of the county, in a separate book to be kept by him for the registration of official bonds, and the original with the approval thereof endorsed, deposited with the register for safe keeping. The like remedies shall be had upon said bonds as are or may be given by law on official bonds.

QUALIFICATION OF CLERKS.

SEC. 3. Every Clerk of the Superior Court, before entering on the duties of his office, shall take and subscribe before some officer authorized by law to administer an oath, the oaths prescribed by law, and file the same with the Register of Deeds for the county.

FAILURE TO GIVE BOND.

SEC. 4. In case any clerk shall fail to give bond and qualify as above directed, the Chairman of the County Commissioners of his county shall immediately inform the Judge of the judicial district thereof, who shall thereupon declare the office vacant, and fill the same, and the appointee shall give bond and qualify as above directed.

OFFICES—WHERE TO BE KEPT.

SEC. 5. He shall have an office in the Court House, or other place provided by the County Commissioners, in the county town of his county. He shall give due attendance, in person or by deputy, at his office daily, (Sundays and legal holidays, excepted,) from 9 o'clock, A. M., to three o'clock, P. M., and longer when necessary for the dispatch of business.

TO RECEIVE OFFICIAL PAPERS, &c.

SEC. 6. Immediately after he shall have given bond and qualified as aforesaid, he shall receive from the late Clerk of the County and Superior Courts, and Clerk and Master of the Court of Equity of the county, all records, books, papers, money and property of their respective offices, and give receipts for the same; and if any such late clerk, or clerk and master, shall refuse or fail, within a reasonable time after demand, to deliver such records, books, papers, money and property, they shall be respectively liable on their official bonds for the value thereof, and be held guilty of a misdemeanor.

TO KEEP RECORDS, &c.

SEC. 7. He shall keep, in bound volumes, a complete and faithful record of all his official acts, and give copies thereof to all persons desiring them, on payment of the legal fees.

BOOKS TO BE KEPT BY THE CLERKS.

SEC. 8. The clerk shall keep the following books:

1. A docket of all writs of summons, or other original process issued by him or returned to his office. This docket shall contain a brief note of every proceeding whatever, in each action, up to the final judgment inclusive.

2. An Execution Docket, in which the substance of the judgement shall be recorded, and every proceeding subsequent thereto, noted, with an alphabetical index.

3. A Docket of all issues of fact, joined upon the pleadings and other matters, triable before a jury, and of all other matters, for hearing before the Judges, at a regular term of the Court, a copy of which shall be furnished to the Judge at the commencement of each term.

4. An alphabetical index, according to the names of the plaintiffs, of all final judgments in civil action, rendered in the court, with the dates and numbers thereof.

5. A Docket of all criminal actions, containing a note of every proceeding in each.

BY WHOM THE BOOKS ARE TO BE FURNISHED.

SEC. 9. The books specified in the above section shall be supplied to the clerks of the several counties by the Secretary of State, at the expense of the State, and the Secretary shall, as soon as possible, transmit an account thereof to the chairman of the County Commissioners, in order that the price may be levied in the county taxes, and also the Auditor of public accounts, who shall add the same to the taxes of the respective counties, and receive and account for it as for other taxes. The commissioners of any county failing to cause such sum to be levied with the other county taxes, shall be guilty of a misdemeanor.

PAPERS IN EACH ACTION TO BE KEPT SEPARATE.

SEC. 10. The clerk shall keep the papers in each action in a separate roll or bundle, and at its termination attach together, properly label, and file them in order of the date of the final judgment.

SOLICITOR TO EXAMINE RECORDS, &C.

SEC. 11. At every regular term of a Superior Court, the Solicitor for the Judicial District shall inspect the office of the Clerk and report to the Court in writing. If any Clerk, after being furnished with the necessary books, shall fail to keep them up as required by law, he shall be guilty of a misdemeanor, and the Solicitor shall cause him to be prosecuted for the same. If the Solicitor shall fail or neglect to perform the duty hereby imposed on him, he shall be [liable] to a penalty of five hundred dollars to any person who shall sue for the same.

EXISTING SUITS.

The following sections, numbered 1, 2, 3, 4, 5, relate exclusively to actions which have been commenced, and in which no final judgment has been rendered prior to the ratification of this act, as a part of the Code of Practice and Procedure.

CLERKS TO DOCKET EXISTING SUITS.

SEC. 1. The clerks of the Superior Courts at the request of a party thereto, within six months from the ratification of a general act respecting the practice and procedure of the Superior Courts of this State, and on the payment of a fee of one dollar, shall enter on a separate docket, all suits which, at the ratification aforesaid, shall have been commenced, or in which final judgment has not been rendered in the late County Courts, Superior Courts of law, and Courts of Equity, of their respective counties.

HOW SUCH SUITS PROCEEDED WITH.

SEC. 2. And every suit not so transferred within the time aforesaid shall be abated, and the Clerk of the Superior Court shall tax costs against the parties liable and collect the same by the proper process.

SEC. 3. The said suits shall be proceeded in, and tried under the existing laws and rules applicable thereto. After final judgments shall be rendered therein, the Clerk shall enter such judgments on the execution docket required to be kept by him, and the subsequent proceedings shall be as provided for action hereafter to be commenced.

EXISTING JUDGMENTS NOT DORMANT.

SEC. 4 Existing judgments and decrees not dormant may in like manner be entered on the execution docket, and the subsequent proceedings shall be as is prescribed for actions hereafter to be commenced, as far as shall be compatible with the previous proceedings, and no lien acquired before the ratification aforesaid shall be lost by any change of process, occasioned by this act.

DORMANT JUDGMENTS.

SEC. 5. Judgments or decrees which are dormant at the ratification aforesaid, may be revived or enforced in the manner herein provided.

ACTION COMMENCED AFTER THE RATIFICATION TO SECURE OLD DEBTS, &c.

SEC. 6. In all actions hereafter commenced, founded on such contracts as are provided for in an ordinance of the Convention of this State, entitled "An Ordinance respecting the jurisdiction of the Courts of this State," ratified on the 14th day of March, 1868, the summons shall be made returnable to the term of the Superior Court therein designated, and the subsequent proceedings shall be in accordance with the provisions of said act.

EXECUTIONS LEVIED ON PERSONAL PROPERTY.

SEC. 7. The late Sheriff of any county having in his hands any *fieri facias* execution, which has been levied on personal property of the defendants, which is unsold, shall proceed to sell the same as now required by law; he shall pay over the proceeds after deducting his fees, and shall also make return of the writ, to the Clerk of the Superior Court of the county, to any Court of which the writ is returnable, the proceeds to be paid by the Clerk to the parties entitled thereto.

EXECUTION SATISFIED.

SEC. 8. The said Sheriffs shall in like manner return all executions in their hands which are satisfied, whether by sale of property or otherwise, and shall pay over any proceeds thereof.

EXECUTIONS NOT LEVIED AT ALL, OR LEVIED ON REAL PROPERTY.

SEC. 9. As soon as the successors of the said late Sheriffs shall have qualified and given bonds as required by law, the said late Sheriffs shall deliver to such successors, all writs of executions in their hands which have not been satisfied, and have not been levied at all, or which have been levied on property which has been sold, and a residue remains unsatisfied, or have been levied on real property which in whole or in part remains unsold, with a return stating any receipt of money by them, and their action under the writ. The new Sheriffs shall proceed to act under such writs as if the same had been addressed and issued to them, and shall make return thereof to the next term of the Superior Court of the county, (or) to any Court of which the writ is returnable.

Any Sheriff failing to make due returns of such writs delivered to him, shall forfeit and pay one hundred dollars to any person grieved thereby, to be recovered on motion to the Court before which the writ is required to be returned. All proceeds of executions in part only satisfied, while in the hands of any late Sheriff, shall be paid by him to the Clerk of the Superior Court of the county, to any Court of which the writ is returnable, for the use of the parties entitled thereto, under the penalties now provided by law in case of failure.

EXECUTIONS TO BE DOCKETED.

SEC. 10. The clerk of any Superior Court, to which any execution shall be returned as is above prescribed, shall, at the request of any person interested therein, and, on the payment of one dollar, enter such executions on his execution docket, and the like process may be thereafter had thereon, as is provided in similar cases on judgments recovered after the ratification of this act.

PENALTIES ON SHERIFFS FOR FAILING TO RETURN.

SEC. 11. Any late Sheriff, or other officer having executions in his hands, and failing to make due return thereof, and to proceed, as herein prescribed, shall in each case forfeit and pay to any person grieved, one hundred dollars, be recovered on motion of the court.

JUDGMENTS NOT DORMANT, WHEN—

No judgment shall be held to have become dormant by reason of any stay or execution thereon in obedience to any general or special orders issued by the General lately commanding the Military District of which the State of North Carolina formed a part, and the time, during which execution was so stayed, shall not be counted in determining any question respecting a judgment being dormant.

ORDINANCE OF 14TH OF MARCH 1868, NOT AFFECTED.

SEVERAL month ago, I purchased the entire stock of goods owned by BRANSON, FAIRMAN & CO., and combined the business, changing the name afterwards to Branson & Jones, reserving myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership or to blend the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

EVIDENCES OF POVERTY.

If the evidences of the poverty of our people were not palpable to the eye and ear of *every one*, additional proof is furnished at our Court House door, by the array of more than one *hundred and fifty* notices of Sheriff's Sales, to come off within the next two months, in this City! These sales are of real estate mainly,—the homes of our people,—advertised for failure to pay taxes and other debts. This cannot be accounted for upon the presumption that our people are negligent or indifferent. No man would allow real property to be exposed to public vendue, at a Sheriff's Sale, at a time like this, when property seldom brings one fifth or one-tenth its real value, from sheer neglect or indifference. It tells of the extreme poverty of our people, and the excessive scarcity of money, forced upon us by the incapacity and bad policy of Radical rule, which, more certainly and more ruinously than we have ever known, makes true the oft repeated charge, that by it the "rich are made richer and the poor poorer."

A few days ago, we learn, three hundred acres of land were sold, in this County, for twenty five dollars. Other sales have been made at various prices. Under such circumstances, is this a time for the encouragement of money sharks, who grow rich and fatten upon the ruin of the people—is this a time for wasteful and extravagant living? Especially, with these evidences of poverty in the State, is this a time when the guardianship of the State, and of the people's interests, should be committed to the care of carpet-baggers and ignorant scalawags and negroes? Is this a time to encourage extravagant expenditures of the public money upon high salaried officers, who could not make half the sum at other honest occupations? Is this a time when the General Assembly, led by those who have no permanent interest in the State, should be allowed to risk the credit of the State in enormous appropriations, which might be deferred to a better day? Certainly not!

People of North Carolina! If nothing else will force you to consider, to *reflect* and *determine* upon the necessity of a change in the administration of public affairs, let your poverty, the pressure upon your resources, created by high taxation and the reckless policy of the Radicals, arouse you, and rally to the standard of SEYMOUR AND BLAIR. They are the friends of the poor man, the laboring man, North and South. *They* demand justice, and magnanimity, and material help to the down-trodden people of the South. *They* advocate *equal* laws, *equal* taxation for all classes. The rich and prosperous are *able* to pay. Therefore, they are in favor of taxing the rich according to their riches and the poor according to their poverty. Rally for Seymour and Blair!

REGISTRATION.—We will publish, as soon as we can lay hands on it, the Act of the Legislature providing for the registration of voters prior to the Presidential and Congressional elections.

RADICAL SHUFFLING.

The reader will recollect that Mr. Robbins, the Senator from Rowan, offered a series of resolutions in the Senate, proposing to fix the line of policy between whites and blacks, in order to test the temper of that body. After much delay, the following resolutions were introduced by Mr. Shoffner, the Senator from Alamance, one of the faithful, which were finally adopted. They are nearly identical with those offered by Mr. Robbins, except that two or three of Mr. Robbins' were omitted, upon which perhaps the majority did not want to be put to the test.

The following are Shoffner's resolutions:

RESOLUTIONS DEFINING A LINE OF POLICY BETWEEN THE WHITE AND COLORED RACES.

Whereas, It is of the highest importance to the people of North Carolina to settle and fix, by legislative enactment, the great question of enrolling the white and colored races in separate militia companies and regiments, of educating them in separate schools and especially of forbidding intermarriage;

And whereas, The great mass of the people of North Carolina are looking with intense anxiety, to see these questions permanently settled at an early day;

And whereas, We believe that the judicious settlement of these questions will compose the public mind, and cause peace and quietude to take the place of commotion and excitement; therefore,

Resolved, That we hold it to be the duty of this, and of all future General Assemblies of this State, so to shape their legislation as to secure the rights of life, liberty and property to all men residing in the State, without regard to race, color or former condition.

Resolved, That it is the duty of this, and of all future General Assemblies of North Carolina, to provide for and continue a system of free public schools for both races; but, at the same time, to provide that the white and colored children of the State shall be taught in separate schools.

Resolved, That in forming a militia system, special provision should be made for organizing the white and colored citizens in separate companies and regiments.

Resolved, That stringent provisions should be made, by appropriate legislation, to prevent intermarriages of the white and colored races, and punish the crime of miscegenation.

Resolved, That these resolutions embody principles of policy, vital to the interests of the people of this State; and all efforts to avoid or prevent a free, fair and candid expression of opinion touching these principles must be regarded as prejudicial to the welfare and detrimental to the advancement of both races, in refinement and in moral elevation.

The Conservatives of the Senate, of course, voted for Mr. Shoffner's resolutions. They contain no sentiment which the Conservatives and Democrats have not warmly advocated from the first.

The above resolutions, however, are of no force in the face of the new Constitution, and do not fix, by any means, the line of policy for the Radicals. It is well known that hundreds of white men, especially in the upper Counties, who voted the Radical ticket in the late election, are deadly hostile to the Radical doctrine of *negro* equality, and are violently opposed to the intermarriage of blacks and whites, mixing them in the schools or in the militia. And yet these men voted for the new Constitution, in which *all* distinctions between black and white are ignored! There is no doubt but that *all* laws, passed under the new Constitution, violate its spirit, intent and meaning, which make any distinctions between blacks and whites, on account of race, color or former condition. The above resolutions make these distinctions, and so does the militia bill, passed by the late Legislature, at the urgent request of "Gov." Holden and the Radical leaders. That law forbids blacks and whites to be enrolled in the same company in the regular militia, while in the detailed militia it allows their enrollment in companies, but not to muster in the same sections. Such a bill violates the spirit of the new Constitution.

The colored people understand that *equality* gives them a perfect right to intermarry with whites, to be enrolled in the same companies, or to send their children to the same schools, *if they see proper to contend for the right.* Hence the colored Radical members do not endorse the above resolutions, as the fixed policy of the Radical party.

THE RADICAL RAILROAD.—W. A. Smith, of Johnston, Holden's President of the North Carolina Railroad, not only refused to allow delegates to the late Democratic State Convention to pass over his Road at half fare,—not only refused to permit a chartered train on the Wilmington & Weldon Road to *pass over* the North Carolina Road,—but, actually, a day or two before the meeting of the Convention, raised the rates of fare. By this latter arrangement, the fare from Raleigh to Charlotte was about $10, and the fare to Goldsboro some $8.

We now learn that, in order to secure a full attendance at the proposed negro Radical celebration in this city, on the 16th. prox., this same W. A. Smith has agreed to transport passengers from Charlotte to Raleigh, *and return*, for $6, and from Goldsboro' to Raleigh, and return, for $2,—*actually less than the charge one way!*

We doubt whether, in the history of any corporation in the country, there has ever been before so flagrantly shameless an exhibition of partisan meanness and malignity. Such evidences of party management, in utter disregard of the interests of the Road and of the white people of the State, will go far towards determining the people to have no business connection with this Road, whenever it can possibly be avoided. The proofs multiply that it is the studied purpose of the "Ring" to bring the Road down to the lowest notch of depreciation, in order that it may be bought up for a song by Yankee speculators, and others, interested in the great grab game that is being carried on.

Complete returns of the election in Kentucky make the vote for Stevenson, the Democratic candidate for Governor, 115,824; for Baker, Radical, 26,274, showing a Democratic majority for Stevenson of 89,249.

EXTRAVAGANCE OF THE LEGISLATURE.

As soon as we can obtain the figures, we will give our readers the substantial proof of the extravagance and waste and plunder of the carpet bag Legislature and Administration. The cost of the State officers and the general expenditures of the present State administration will, if it holds on to its present stand point, treble those of any administration which has preceded it. The Legislature was in session about fifty days, and it is estimated, when all the expenses are summed up, that they will reach $100,000. We understand that papers, who desired the passage of particular bills, were told, on application to certain parties,—carpet-baggers,—that this or that bill *could* be gotten through, but it would require a good deal of money to accomplish it! Railroad and other projects are believed to have been pressed through by the aid of money paid to certain parties, both in the State Convention and Legislature. We are told that the Convention and Legislature, together, have extended the State credit $10,000,000—thus making the public debt of the State, (before $15,000,000,) now $25,000,000. The interest on the public debt will be increased from $900,000 to $1,500,000.

Besides this, no tax bill has been passed,—that being held in reserve till after the Presidential election. Then will come, in addition to appropriations already made, bills to meet the expenses of the detailed militia, if "Gov." Holden should unwisely attempt to equip and arm it—then the appropriation for the Schools, requiring perhaps over $400,000,—then a wild, costly scheme for surveying the entire State, by the State Geologist—then the Penitentiary, &c. To meet the cormorant wants of the carpet baggers, North Carolina should, today, have the available wealth of Ohio, Pennsylvania or New York. What is to come of all this? Are they bent upon forcing repudiation upon us? *Nous verrons.*

The Charlotte *Democrat*, referring to and deprecating these enormities, administers the following excellent caution:

"The impression prevails among the people that a considerable amount of the appropriations are going *unfairly* into the pockets of a set of speculators and shavers, whose influence induces the Legislature to make them; therefore, no one need be surprised if a disposition to favor repudiation is engendered by extravagance and burden some taxation.

The time may come when the people of this State will not be willing to be taxed to pay $100 in gold to the man who holds a Bond that cost him only $50 or $70 in paper money, or that cost him nothing at all, except a little scheming at our Raleigh and the Halls of Legislation."

THE APPROACHING ELECTIONS.—Four State elections will occur in September. That in Vermont will take place on the first. The tickets are led by J. L. Edwards, Democratic candidate for Governor, and John C. Page, Republican candidate. For ten successive years Vermont has given Republican majorities ranging from fifteen to twenty thousand.

In California the election will occur September 8th for members of Congress. Three members will be elected. At the last general election, in 1867, California gave a Democratic majority of 9,546.

The election in Tennessee occurs on the 13th September. The political affairs of this State are in so perplexed a condition that we have no basis for reliable calculations.

The election in Maine for State officers and members of Congress will occur September 14th. The two tickets are led by the following Gubernatorial candidates: Eben F. Pillsbury, Democrat, and Joshua L. Chamberlain, Republican. The Republican majorities in Maine for the last ten years have ranged from eight thousand to twenty seven thousand. In 1867, the Republican majority was 11,614.

The Democrats will, of course, carry California, electing perhaps the whole Congressional ticket. All that they can reasonably expect to do in Vermont and Maine is to reduce the Republican majorities. A Northern Democratic [illegible] says:

"A Democratic victory is too much to expect in Maine next month, but we feel confident that there will be Democratic gains, which will be the next best thing to a Democratic triumph. Any change favorable to the Democracy will strengthen popular confidence in the success that is surely coming in November."

THE MEETING AT FRANKLINTON.—A correspondent gives us the following account of the Democratic and Conservative Mass Meeting at Franklinton, on Saturday last:

"We had quite a large and interesting meeting on Saturday, the negroes paying much better attention than usual. A great many would join us in the struggle, but stand back through fear. All kinds of threats are made against those who speak of supporting our candidates. We feel confident of gaining over, and neutralizing, a sufficient number to carry the county for Seymour and Blair.

We were fearful that we would not have speakers on Saturday, but Captain J. J. Davis and Jones Fuller, Esq., coming up about 10 o'clock, entertained the audience for about three hours with fine effect. Look for a good report from Franklin in November!"

PENDLETON ON LOGAN.—Now, I wish to use Gen. Logan with all respect, as I served with him in the Democratic party a good many years. (Laughter.) I know very well at the beginning of the war Gen. Logan was not quite as strong for the North as he is now, or as I was then. This I tell you confidentially. (Applause and laughter.) The General was then a little disposed to help the other side. Judge Douglas went out there to Illinois to stop some men who were raising regiments for the South, and were not to be trusted. Well, Gen. Logan is a gallant General and a good soldier.—He says that the Democratic party, after four years' control of the Government, is responsible for the conditions of affairs at the time the Republicans came into power. I have to say in answer to that, that during the last half of these forty years General Logan was a member of the Democratic party, helping them to do this great wrong. (Great laughing.) These men who make so much talk about the Democratic party generally turn out to be men who have left their party for their party's good. (More laughter.)—*Speech at Brooklyn.*

For the Sentinel.

CHAPEL HILL FULLY AROUSED TO HER DUTY—ENTHUSIASTIC MEETING—SEYMOUR AND BLAIR CLUB.

Messrs. Editors:—Again would we intrude upon the readers of your excellent paper, with a brief account of another enthusiastic meeting of the good and loyal citizens of our quiet little village,—yes loyal citizens, in spite of "the man man who writes himself Governor of North Carolina" and his scallawag and carpet-bag allies to the contrary notwithstanding. In using the term enthusiastic, 'tis not our intention to impress your readers with the idea that such meetings are unusual with us; but on the contrary, we would say, that the material of which our citizens are composed, and the true spirit and earnestness with which they always enlist in a good cause, are such as to warrant the assertion that it is characteristic of every assemblage of her loyal citizens; nor can it be a matter of surprise to any one, who knows anything of the past history and present condition of Chapel Hill.

As an object of low, mean, degraded party-malice, such as we hoped could not even dwell in the hearts of, much less be exercised by, any one of our own people, the buildings of our time-honored University stand tenantless. No longer are the passing hours marked by the familiar old peals of the College bell. No longer are the cries of "Fresh in the Campus," and the many other College expressions that so often greeted our ears and enlivened us upon the simultaneous release from the recitation room of hundreds of the promising youth of our State, heard; but all within and around these classic walls is quiet as the stillness of death.

The life and spirit of our village, and support of its citizens, having been thus maliciously and rudely snatched from them, forcing many to seek an abiding place elsewhere, (no', however, after the style of the carpet baggers in our midst,) can have no other tendency than that of uniting and binding us more strongly together for the coming struggle for the Constitution, as handed down to us by our forefathers,—the Union of the States and the Liberty and Peace of our depressed people.

This day having been set apart as the occasion for the formation of a "Seymour and Blair Club," in this place, the hour of 12, M., found quite a large crowd gathered around the spot selected for the meeting. The meeting was organized by calling Mr. P. H. McDade to the Chair, Mr. A. S. Barbee acting as Secretary. Mr. Jones Watson, to whose political speeches our citizens have so often listened with pleasure, and to whom we owe much for his earnestness and zeal in our recent elections, explained the object of the meeting in his usually happy and forcible manner.

During the absence of the Committee on organization, the meeting was addressed by Messrs. P. H. McDade, A. H. Merritt, Andrew Mickle, and others. The remarks of these gentlemen were able and to the point.

The following gentlemen, reported by the Committee, as permanent officers of the Club, were unanimously elected: President, P. H. McDade; Vice Presidents, S. Clayton, A. Mickle, A. H. Merritt, G. W. Purifoy, C. W. Johnston; Secretaries, A. S. Barbee, W. P. Hargrave; Treasurer, Jones Watson.

The people here are wide awake, our Club bids fair to number largely, and will do valiant service, as all are working nobly.

Our people are to have a grand jubilee on Saturday next, on the occasion of the raising of a large Seymour and Blair flag, in this place. Addresses will be delivered by Hon. W. H. Battle and other distinguished gentlemen. More anon. B.

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

FOR 25 YEARS I was sorely afflicted with the Piles. After trying every remedy I could hear of and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage when sent by mail. As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

COLUMBIAN COLLEGE,

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological School has three Professors and Lecturers; the Law School four, and the Medical, ten. The expenses are as low as at other Colleges.—Number of students the past year, 434. CLUB MEETING LAST NIGHT.

Notwithstanding the inclemency of the weather, the Court House was well filled, last night, by the friends of Seymour and Blair, and great enthusiasm characterized all the proceedings of the meeting. Thirty-five additional members of the Club, including several colored members, were enrolled.

The Club was first addressed, by invitation, for about one hour, by Seaton Gales, Esq., Associate Editor of this paper.

Col. D. M. Carter, of Beaufort, being in the City, was also invited to address the meeting, which he did at length, and with great ability, eloquence and power,—making one of the most exhaustive arguments that we have heard during the present campaign. It was listened to with deep interest and excited frequent and enthusiastic applause.

BARBECUE AT DOWD'S MILL.

There will be a Democratic meeting and Barbecue, near Dowd's Mill, in Wake county, 14 miles Southwest of Raleigh, on the road leading to Haywood, on Saturday, the 5th of September next. The Barbecue is given by the Seymour and Blair Club of that precinct. Able speakers have promised to attend. The *people* are invited to come out. All are welcome.

PERSONAL.—We are pleased to welcome home, on a short furlough, our young townsman, Midshipman Ferrin Busbee, who has just finished his first year's course at the Naval Academy at Annapolis. He has recently returned from quite a long cruise, and is looking remarkably well.

THANKS to Jos. L. Bilyard, of Pitt, for a Club of twelve subscribers to the *Sentinel*.

N. C. LIFE ASSURANCE CO.—The gentlemen having charge of this Company, recently chartered by the General Assembly, seem to be in earnest in their work, as will appear from their notice in this morning's paper. The charter is a liberal one, and the affairs of the Company, managed with the fair business ability promised from the character, energy, and experience of those having it in charge, have every assurance of immediate success. This should be so. Let us keep our money at home.

FAIR AT HENDERSON.—We are indebted to the Executive Committee for a copy of the printed Programme for the Annual Fair to be held at Henderson, on Wednesday, Thursday and Friday, October 14th, 15th and 16th, 1868, under the auspices of the Central Agricultural Society of Granville, Warren and Franklin. These Fairs have been very successful in the past, and there is every present reason to anticipate that the ensuing Exhibition will exceed in interest its predecessors. Handsome premiums are offered, and every arrangement has been made to make the occasion all that is desirable. Further notice hereafter.

The first loss paid by the N. C. Masonic Mutual Life Insurance Company was to the widowed daughter of the lamented brother, E. B. Freeman, of Raleigh, and was a return of *fifteen hundred and fifty per cent.* upon the amount paid in by brother Freeman.—The second loss will be promptly paid to the widow of brother *A. Kline*, of the same city. Wake contains a large body of Masons, and, we doubt not, this will arouse them to the importance of joining this company.

We find the foregoing in the Newbern *Journal of Commerce*, and it demonstrates the great importance of this incipient Masonic enterprise. We regard it as one of the most valuable institutions in the State, and it behooves the fraternity to encourage and foster it.

Andrew Syme, Esq., is the Agent for this city.

BROADCAST.—Our excellent cotemporary the Statesville *American*, says that the rebel Radical ticket in this city, the *Standard*, is being sent broadcast over the State for free distribution, and the *postage on them is unprepaid*, as required by law. It calls the attention of Dr. Jobe to the fact.

MASS MEETING AT MONROE.—There is to be a grand Rally, at Monroe, Union Co., to-morrow. Hons. T. S. Ashe, N. Boyden, A. R. Vance, J. W. O'Boyle and J. H. Wilson, Gen. Jno. A. Young, Capt. Jno. Walker, and others, have been invited to address the meeting.

MILL BURNT.—On Thursday night last, the grist mill and cotton gin of W. Thorne, Esq., of Halifax Co., were set on fire by incendiaries and consumed, with the contents. Three or four bales of cotton were burned.

A RATHER COSTLY INSURANCE.

Messrs. Editors:—The University has a new Board of Trustees, whose movements the public are looking at with great interest. Considering the composition of the Board of Education, which is virtually the active power of the Trustees, I had not expected any marvellous display of wisdom; but I was by no means prepared for the grave blundering that has marked every step they have thus far taken. Let me give you one specimen.

The Governor and his counsellors have been afraid—so it is alleged—that the people of Chapel Hill would destroy the College buildings; and that, although they have no way of earning a living but what depends on the continuance and safety of those buildings. They have, therefore, sent up a Sergeant with ten private U. S. soldiers to guard them; that is, to see to it that the people there do not burn up all they depend on for subsistence. And, because these eleven men might not be enough to do a work so arduous, they have placed a brother of the Commissioner of Public Works—with a good salary, of course, and his family, in the—not the chair *yet*, but—house of one of the late Professors, that he may help their difficult labors.

The cost of this operation is estimated by those who are in the secret at about twenty dollars a day. The pay and subsistence, &c., of the eleven "blue coats," who were ordered there "at the expense of the Trustees," is said to amount to fifteen dollars a day, and that of the other official, who is to have his family with him, can hardly be less than five more. The expense then of "protecting the property of the University" is at the lowest calculation $5,475 a year; probably it will reach $7,300. The lowest of these sums would have enabled the Trustees to keep the College open, and to furnish instruction to all comers as has been done for some years past. Added to the fees, it would have paid all the current expenses of the College, and have left a respectable surplus. The larger estimate would, of course, have done so much more.

What then are we to think of the wisdom of these men, who have deprived the people of all the advantages of the University, told our young men to go to some other State for their education, and have squandered their money on the maintenance of a military guard and of the brother of the Superintendent of Public Works?

The expense is utterly needless. If they *must* "suspend" the Institution, its property might have been amply protected by the care and activity of a single man. So far as danger of destruction from fire, for example, is concerned, the interests of the people of Chapel Hill would have insured their most zealous care and labors. And the danger of dilapidation and of injury to the Libraries, &c., would have been as effectually guarded against by the presence of one man, as of twelve.

What then does the present arrangement mean? Is it designed to provide a job for Mr. Harris? Is it an ostentation of zeal for the University? Or, is it a simple proof of the indifference of the Board as to what becomes of their funds, and of their utter incompetency to manage such affairs? Or, are we learning new lessons in economy, and are we to be gravely told that a property valued at $150,000 can not be kept safely at a less cost than $5,500, a year? Is not this a "rather costly insurance?

SEYMOUR AND BLAIR AT DUNNSVILLE.

MESSRS. EDITORS:—Pursuant to notice given, the sturdy farmers and citizens of St. Mark's and St. Matthew's District met at Dunnsville, on Saturday, Aug. 22nd, for the purpose of forming a Seymour and Blair Club.

The following gentlemen were elected as permanent officers: President, Maj. Fleming; Vice Presidents, R. B. Seawell, Capt. J. S. Ray, J. H. Hunter; Secretaries, Capt. B. W. Justice, Dr. T. F. Nixon; Corresponding Secretary, J. D. Allen; Treasurer, P. Dunn.

Able and effective speeches were made by Messrs. B. W. Justice, R. B. Seawell, P. Dunn and others, that showed up in vivid colors the tyranny and "oppression that have been and are now being practiced by the Radical party on a defenceless and unresisting people.

A Constitution and By Laws were adopted, pledging a united support to each other, in defence of their rights and liberties; and, upon a call being made, over seventy five of the best men in the above named Districts subscribed their names as members.

The meeting then adjourned to meet again on the 5th of Sept.

A resolution was offered inviting the ladies to attend and adopted amid immense applause.

Messrs. Editors, if the citizens are alive and laboring in the great cause, like those of the above Districts,

"The day will come, the great avenging day,
When Radicalism's proud glories in the dust shall lay,
When its whole power and Host shall fall,
And one prodigious ruin swallow all."

PITTSBORO, N. C., Aug. 22, 1868.

Messrs. Editors:—The "Boys" of this District assembled at the Court House, this morning, for the purpose of forming a "Seymour and Blair" Club. Though few were present, we succeeded in completing our organization.

On motion of T. A. Taylor, F. U. Lake was called to the chair, and T. B. Womack appointed Secretary, *pro tem.* Constitution and By-Laws were drawn up in accordance with the Resolutions adopted by the late Democratic Convention.

On motion of Jno. A. Berry, a Committee of three was appointed to wait upon Robert Cowan, of the large Pittsboro' Club, to address us at our next meeting. We then proceeded to elect our standing officers, and the following gentlemen were chosen by universal acclamation:—F. U. Lake, President; T. A. Taylor, Vice President; T. B. Womack, Recording Secretary; H. M. Cowan, Corresponding Secretary; James Leach, Treasurer.

On motion of T. A. Taylor, the Secretary was ordered to report the proceedings of this meeting to the Editors of the *Sentinel*, requesting them to publish the same.

The meeting then adjourned, to meet again next Wednesday evening, at 4 o'clock.

CATAWBA AROUSED!

Editors of the Sentinel:—On Saturday, 22nd, inst., a Seymour and Blair Club was organized at Catawba Station, with 70 members. D. C. Cocherham was chosen President, W. E. Lowrance and S. C. Brown, Vice Presidents, Geo. C. McNeill, Corresponding Secretary, J. M. Brown, Recording Secretary, and J. M. Long, Treasurer.

W. G. James explained the object of the organization in a very entertaining and appropriate manner.

R. B. B. Houstin was called upon and delivered a few practical remarks.

The meeting adjourned to meet on Saturday, Sept. 4th., at 2 o'clock, when R. B. B. Houstin will address the meeting. Catawba is wide awake. McN.

"DUTCH" SEYMOUR AND BLAIR CLUB.

Pursuant to a call, the Democratic and Conservative citizens of Dutch District met at Dutchville, Granville county, on the 17th of August, for the purpose of organizing a Seymour and Blair Club.

The Rev. R. B. Hester was called to the Chair, and J. C. Rogers appointed Secretary. The Chair called on Capt. T. B. Lyon to explain the object of the meeting, which he did in a plain and forcible manner, urging all good citizens, who love peace and the restoration of their country, to come forward, join the Club and vote for Seymour and Blair.

The Club then organized with sixty names enrolled, (four colored,) by appointing the following gentlemen as permanent officers: President, Capt. T. B. Lyon; Vice Presidents, Rev. B. B. Hester, Messrs. Jno. P. Adams and W. A. Mitchell; Recording Secretary, Capt. E. H. Lyon; Corresponding Secretary, Dr. W. W. Cozart; Treasurer, Benj. Clark; Directors, T. B. Coley, R. L. Suit, Edmond Coley, E. E. Lyon and W. H. Perry.

We are fully aroused to the task before us, and intend to use every legitimate means to root out Rads, carpet-baggers and scalawags and return old Granville to her original *status*.

DUTCHMAN.

The *National Intelligencer* of Saturday contains a forcible and startling appeal to the people of the country, based upon the experience of the Radical rule of that unfortunate city. As a picture of what Radicalism proposes to do in this State and throughout the South, we extract the following statement of what Radicalism has done in the District:

"The Mayor of the city was made such by these adventurers and negroes. Riots have arisen, in which crowds of disorderly negroes would parade our streets at midnight, seeking pretext for spoil, arson and murder. White men, ladies and old gentlemen resort to persuasion at their own doors for safety. Nightly processions of negroes are seen, ready at any moment to burst into violence, with consequences no man can foresee.—Only a few evenings ago a negro company, on their way to the corpse of Thaddeus Stevens, with loaded muskets, fancying some menace from a street they were passing, fired volleys in the dark down the street, killing such as happened in the range.

Individual negroes haunt every street crossing, to jostle ladies, and, in the more retired parts of the city, prudent men regularly give the path and take the mut with their wives and daughters, as soon as they see negroes coming. Everywhere, from the doors of the church to the halls of the hotels, in the street cars, on the most public corners, groups of intoxicated and brutal negroes may be seen every day, uttering in loud voices the grossest and most shocking obscenity and profanity. In a word, the city is crowded with negro rowdies of the most brutal type, daily growing more lawless, who hold our property, our peace, and our lives at their forbearance, without any effective restraint from the magistracy or the police."

Such is the chalice commended to Southern lips, and the question for the people of the Union to decide is simply whether this shall be the general fare of all. The voters of the Republic decide next November whether this is to be a Congressional or a Constitutional government—whether the *mob* or the *law* shall reign. If they can once understand that this is the real question at issue, the result is beyond a doubt. The American people are not knaves, brutes and fools in a proportion sufficient to elect a representative President.

GREELEY ON THE PRESIDENTIAL ELECTION.—Greeley begins to see the Presidential canvass in clear light, and sees every reason to fear the failure of Grant. He says that the labor that is to insure the triumph of the republican candidates "is yet to be done;" that six times as many clubs as the Grant men now have are necessary, and that before it can expect to win the clubs must "gather and glean half a million votes from those who are now indifferent or hostile" to the republican party. And all this, he justly reasons, "implies such a canvass as has never yet been made in our country."—For those who fancy the election of Grant and Colfax certain he says:—"So far as this from the fact that they are this hour in peril of defeat" and "will surely be beaten if their steadiest supporters are not speedily aroused to general and intense activity."—Republicans "have to poll their very last vote in half the States—many more than they ever yet polled in the belt of States beginning with Connecticut and extending through New York, New Jersey, Pennsylvania and Ohio to Indiana—or Seymour will be next President." He believes that "there is danger—grave danger"—that Grant will not be the next Executive; not that he doubts of the real supremacy of the republican party in point of numbers even, but he fears that republicans will be apathetic and democrats crafty, and of course dishonest—a view not quite consistent with his other view that his party needs to win half a million votes gained either from its opponents or from men indifferent to party. *N. Y. Herald.*

POLITICAL CHANGE IN TENNESSEE.—The negroes in West Tennessee appear to have awoke to a realization of the political situation, and the papers from that section bring us accounts of the organization of Democratic Clubs in various counties, composed exclusively of colored voters. The Bolivar *Bulletin* reports the organization of one in that town, of the 12th instant, and on the same day preliminary steps were taken to get up a similar club at Grand Junction. Several of the most intelligent negroes in Memphis have recently made speeches at different points in West Tennessee, and very favorable results have attended their efforts to show their race that their sympathies should be with the Democratic party.—*Nashville (Tennessee) Union.*

GREAT DEMOCRATIC MAJORITY.—The Montana election, held August 3d, was purely local in its character, although the canvass was conducted mainly on national issues.—Last year James M. Cavanaugh, Democrat, was elected to Congress by a majority of 1,108. This year the Democratic majority in the territory is about 2,500—a clear gain of about 1,400 in a single year. The *World* says that this marked and emphatic change is attributed almost wholly to the fact that many Republicans, becoming disgusted with the excesses of their party leaders, had forsaken that organization and given their votes and influence to the cause of the Democracy.

Gen McClellan will return to his native shores early in September, after his protracted European tour. It is expected that on his arrival at New York he will meet a grand reception. The General is a warm supporter of Seymour and Blair, and it is not improbable that he will take the earliest opportunity of meeting his friends in behalf of our candidates in Maine and elsewhere. *Wash. Express.*

Why do the Southern people love Gen. Butler? Because, "where our treasure is, there is our heart also." The New Orleans *Crescent* is responsible for the above.

UNIVERSAL
LIFE INSURANCE COMPANY,
NO EXTRA CHARGE FOR FEMALE RISKS.
LOSSES PAID IN THIRTY DAYS.
No Restrictions on Travel or Residence
OF NEW YORK.
Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is *immediate, sure and certain*, in lieu of a high rate of premium and *promised dividend*, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly *one-fifth* lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

Age.	Ordinary Life Rate.	Ten Payments Rate	Age.	Ordinary Life Rate.	Ten Payments Rate
25	$21.19	$27.18	45	$33.49	$79.18
30	25.50	40.10	50	74.27	104.27
35	31.34	51.04	55	108.27	142.36
40	39.07	62.44	60	163.25	201.07

Example.—A man aged 30 insures his life for $1,000, and pays $25.50 per annum on the 10 payment plan, and dies after having paid five annual payments, or $125.50, his policy will be good for $1,215.50.

NON-FORFEITING CASH RATES
OF THE
ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000

DIVIDEND, Fifty per Cent. $7,000 Members, and counting Increasing.

$130 to pay every loss of Liabilities.

DESCRIPTION OF POLICIES.

First—Whole Life Policies.
Second—Endowment Policies, for terms of five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, as may be applied as the assured shall elect, either to reduce future premiums or to increase the Cash Value of the Policy.

If no direction is made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the assured may at his option, either continue payment of premiums and enlarge thereby the annual additions to its Cash Value, or discontinue them; and in either case when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the insured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividend-paying Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—*after making a single net premium upon the "actuaries" rate of mortality and four per cent. interest*; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the insured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon the surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examinations.

General Agent for the State,

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disorganized in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are tottering to their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subject and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism, everywhere, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend relief to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and sh ll be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, and the officers of the Club shall be *ex officio* officers of the Board; when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
